

## MINUTES

The Collinsville City Council met in a Special Meeting October 18, 2005 at 6 p.m.  
The meeting was called to order by Mayor Kerr.  
Present were council members Brandon White, Grady Carney, Troy Vannoy & James Fritts.

a. Discuss & Act on repair or replacement of backhoe:

A representative of Equipment Support Services was present to speak to the council regarding the cost of a new backhoe versus a used one. Council also reviewed a price quote from RDO Equipment for a new John Deere backhoe.  
Motion was made by Mr. Fritts second by Mr. White and carried to advertise for bid proposals before making a final decision.

b. Discuss & Act on Fire Chief or certified fireman to do fire inspections:

Council man Grady Carney stated that Chief Kelly Rollins is requesting the city pay him for fire inspections at the nursing home and daycare center. The city does not employ a state certified fire inspector therefore a motion was made by Mr. Fritts second by Mr. Vannoy and carried with Mr. Carney abstaining for the city not to supply an inspector. If Chief Rollins elects to inspect it would not be supported by the city and the cost for the inspection would be between Mr. Rollins and the facility needing the inspection.

c. Discuss & Act on pay schedule:

Mike Bryant reported the outside workers were requesting the pay schedule be changed to weekly. There followed a discussion of why the change was requested and the process the city would have to take to make the change prompted a motion by Mr. Vannoy second by Mr. Carney and carried to leave the pay schedule as is.

d. Discuss & Act on pay raise for David Griffith:

Mr. Griffith reported he had gotten his C water license and was requesting a pay raise. He stated that he did not feel he was given enough raise when he was removed from probation or when the cross the board raises were given in August. Following a lengthy discussion a motion was made by Mr. White second by Mr. Vannoy and carried to give Mr. Griffith a \$ 1.00 per hour raise.

The meeting was adjourned at 7:22 p.m. with motion by Mr. Fritts second by Mr. White and carried.
