Initial: _____ A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. All permits require final inspection.

Initial: _____ New homes without irrigation systems require a TCEQ customer service inspection certification completed by a licensed provider prior to final inspection and must be filed with the city.

Initial: _____ New homes with irrigation systems, pools, hot tub or spas require a backflow prevention assembly test completed by a licensed provider prior to final inspection and must be filed with the city.

Initial: _____ New or repaired irrigation systems require a backflow prevention assembly test and maintenance report completed by a licensed provider prior to inspections and must be filed with the city.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
